Dear Managers:

My family and I strongly
urge you to grant the farm sanctuary
petition to prohibit the slaughter
of downed animals -

ticket # 98P-0151/CPI.

Animals that are too sick or injured to
stand should not be allowed to enter the
food chain. They may be sick but it is
also important that they cannot be moved
humanely and care should be taken to
prevent them from being hurt or sick.

98P-0151

Sincerely, C.2344
